Re: United States v. Figueroa (07 CV 6321)

Dear Mr. Kent:

I'm writing to confirm the substance of our telephonic conversation on Wednesday, February 27 regarding issues raised in your January 4, 2008 email to me.

As we discussed, I have copies of the First Motion to Extend Time to File Indictment and the Chief Judge's Order granting the Motion. Unfortunately, I cannot produce the Motion or Order to you, due to the secrecy obligations of Federal Rule of Criminal Procedure 6. However I have enclosed a copy of the Notice of Motion, which was received by counsel for Angel Figueroa when the first Motion was filed. I believe that this should be sufficient to convince your client that the Motion does, in fact, exist and was timely filed.

In addition, I have enclosed information regarding Mr. Figueroa's May 28, 1997 conviction, as you requested. It is my understanding that I have provided you with all of the information you need. If that is not the case, or if you have any questions, contact me at (312) 886-7855 at your convenience.

Sincerely,

PATRICK J. FITZGERALD  
United States Attorney
